News Release

21-5-2012

## **TERMINATION OF SFK AGENCY IN IRELAND**

**Stone Food Machinery Ltd** wish to inform our colleagues, friends and clients in Ireland that they have decided to-day to **unilaterally** & irrevocably terminate our Agency rights for SFK in Ireland with effect from 31/5/2012.

Regrettably, the simple fact is that it has not been, and is no longer financially viable, for us to represent SFK in Ireland.

When change of this nature comes it inevitably leads to rumours and speculation of all kinds within the Industry and in wishing to pre-empt this we can confirm that all monies due to SFK by Stone Food Machinery Ltd have been paid in full.

The decision has been taken mainly on *issues of principle* and those most closely involved, understand this.

We feel sure that SFK will make appropriate arrangements in the near future to assist current clients in the wake of this announcement.

We will also remove SFK data from our website and issue a small news item as well.

Val intends to devote the time freed up in expanding and growing the **Waste Water Equipment** side of the business.
